Structured Finance in LatAm / Project & Infrastructure Finance Summit

September 28-29, 2016 | The Plaza | New York, NY

The LatinFinance **SFLA - Structured Finance in LatAm / Project & Infrastructure Finance Summit** brought together the region's most active structured, project and infrastructure finance players from the investor, issuer, financial advisory, banking, rating agency, legal and regulatory perspectives.

This two day summit, focused on traditional structured financing alternatives on day 1 and project and infrastructure financing techniques on day 2. High level market participants gathered in New York for in-depth panel discussions on innovation in the rapidly evolving marketplace.

"Fantastic convening of very high level decision makers key to implementing structured finance transactions throughout LatAm debt markets. Intimate setting conducive to knowledge transfer and informal conversations."
