

The **Andean Finance & Investment Forum** alternates between Peru, Colombia and Chile. The forum is a high level, invitation only event which is explicitly designed to connect leaders from the private and public sector of the Andean region with the international and local investment community for two days of panel discussions, technical presentations and 1-1 meetings.

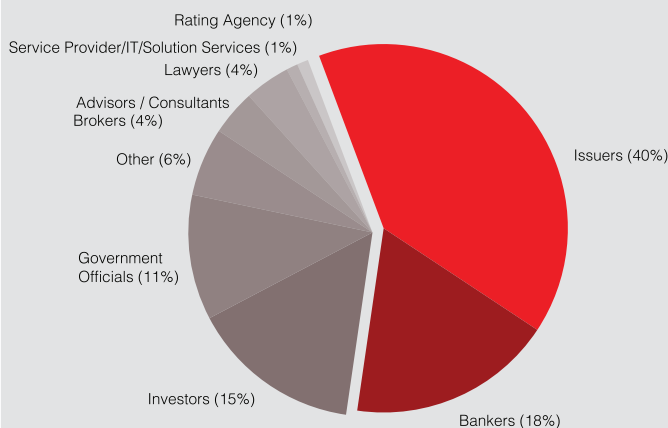

*"The Forum was a great meeting point for reflection on various economic issues and the future of the region."*

**Christian Schiessler, Director, Banco de Chile**

*"It was a pleasure to attend such a good event, the quality of delegates elevated it to another level."*

**Santiago Mangiante, CFO, Cencosud Peru**
